**For immediate release:**

#### **RED SAND – The Sound of the Seventh Bell**

On October 1st 2021, Canadian Progressive Rock band **RED SAND** will be releasing its tenth studio album entitled '**The Sound of the Seventh Bell**', a concept album based on the seven deadly sins.

Until the release of the album, the band just released a first single on YouTube

**Red Sand – Breathing (video)** <https://youtu.be/tXBizG2P4Uo>

Formed by guitarist **Simon Caron** in 2004, The Neo-Progressive Rock band from Québec City will be back on tour throughout Europe in September 2022.

The Sound of the Seventh Bell containing 8 songs will be released on the band's own label **SPBN Records** as a Digipak Compact Disk. The album will also be released later on this year on Vinyl by polish record label **Oskar Records**.

You can order the album from the RED SAND website: [www.redsandmusic.ca](http://www.redsandmusic.ca)

**Red Sand** is: **Simon Caron** on Electric and acoustic guitars, Bass guitar and keyboards, **Steff** on Lead and back vocals and **Perry Angelillo** on Drums. When on Tour, the trio is joined by Touring Musicians: **André Godbout** on Bass and back vocals and **JB Lemire** on Keyboards.

The Sound of the Seventh Bell is produced by **Simon Caron**, Mixed by **Michel St-Pere** (Mystery, Huis) and mastered by **Richard Addison**.
